About Leisure Lawns Collection

Leisure Lawns Collection was built on the heritage and tradition of quality Amish craftsmanship. In 1987, a young Amish farmer in Lancaster County, Pennsylvania, started building wooden lawn furniture as a way to supplement his income. As he began offering them for sale at local farmers markets and shops, the customer interest grew. He began expanding his product line to include more wooden lawn furniture. Years later, the introduction of maintenance-free poly brought more changes to the Leisure Lawns Collection. Many of the wooden styles were adapted to poly, making the furniture more durable and colorful. Leisure Lawns has now been producing poly furniture for fourteen years and continues to introduce new designs and continues to improve on their other designs.

Eventually, Leisure Lawns outgrew its space on the farm and moved to a new 5,000 square foot facility with a 20,000 square foot warehouse in New Holland, PA. With a larger warehouse, Leisure Lawns is able to keep more inventory on hand allowing them to ship products in a timely manner.

After 29 years in business, Leisure Lawns Collections is still run by a family member of the Amish farmer who started the business. Leisure Lawns is continuously improving its products and adding new ones and is now shipping furniture all over the United States and Canada. At Leisure Lawns, we still place the highest value on hard work, superior craftsmanship and customer satisfaction.

What Makes Us Different?

poly advantage

At Leisure Lawns, we manufacture our furniture out of plastic lumber from recycled high-density polyethylene. Our poly is a combination of post industrial, post consumer regrind and wide-spec which would normally be disposed of in our landfills.

If you are looking for maintenance-free furniture, our outdoor poly furniture is the right choice! Unlike most outdoor furniture, our poly furniture will not rot, rust or fall apart from wear. It is easy to care for, does not require painting and is built to endure harsh weather. Because our poly imitates natural wood grain, the texture of the poly hides scratches and will maintain its beauty for many years. Our seventeen colorful options are infused with color and UV stabilizer to reduce fading, keeping your furniture beautiful for many years.

craftsmanship

We believe in a quality that is not readily available in today's world of furniture. All of our furniture at Leisure Lawns is handmade, hand cut and screwed together with only the highest quality products. Our poly furniture uses stainless steel fasteners which are proven to be more resistant to corrosion. Using only the highest quality products allows us to stand behind our products knowing they will serve you well in the years to come. When designing our furniture we focus on comfort, quality and design ensuring that each product will last for many years of enjoyment.

Fanback Chairs

“sunshine’s favorite chair”

With its elegantly curved back and gently sloping seat, the Fan Back Chair is a great choice for relaxing outside. This chair is appealing to the eye and very comfortable, making it our most popular chair.

#360 Fan Back Chair

Wood Features

- Built from Wolmanized Outdoor Wood which has earned the respect of Good Housekeeping and the GreenSpec list.
- You can paint or stain without discoloration from the preservative.
- Premium pressure-treated kiln-dried Souther Yellow Pine.

Wood Options

Give your furniture the Best - Water Sealer Stain! With the water sealer stain applied to your furniture you are sealing out the harsh weather. It's like waxing your furniture; the water just stays on top. The sealer helps minimize checking and cracking. Protect your furniture by choosing our Water Sealer Stain option.

Assembled with bolts & screws for strength & durability

Quarter sawn wood used for beauty & distinction

Edges are smoothed & rounded to eliminate splinters

Without Sealer

unstained stained

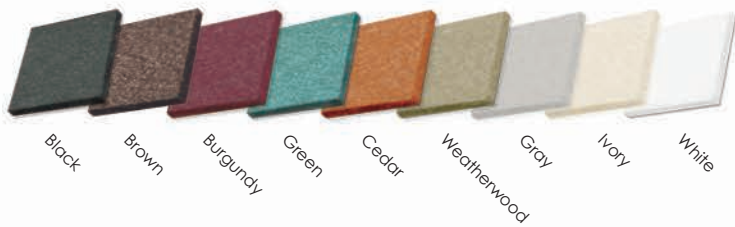

Poly Furniture Colors

Leisure Lawns Collection has seventeen colorful options to choose from.

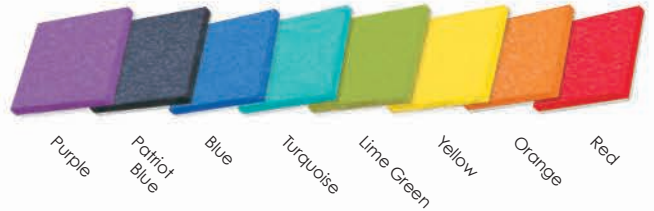

All of our products are available in all colors unless otherwise noted.

Traditional Colors

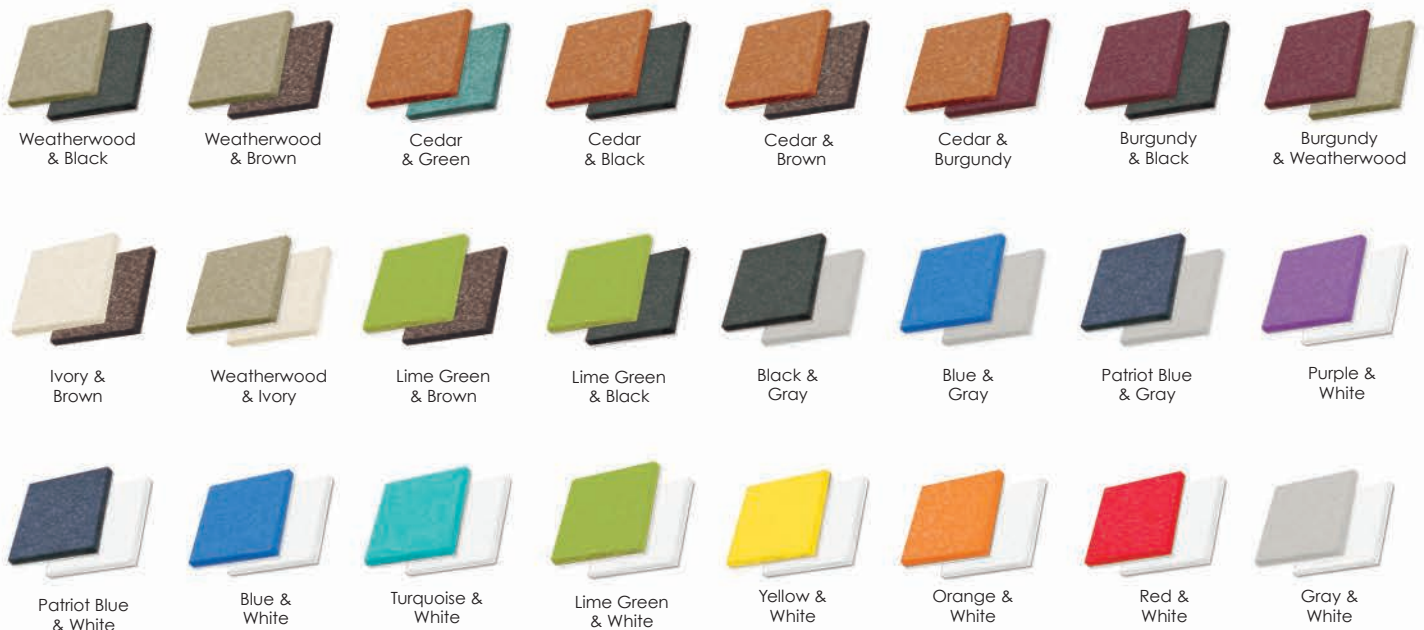

Bright Colors

Suggested Two-Tone Color Combinations

Pick and choose any color combination. Not limited to the ones shown below.

Colors are representational only and cannot be guaranteed to be exact color matched.

Poly Furniture Care

Clean your poly furniture regularly with a nonabrasive soap and water to ensure the continued beauty of your furniture. While most of Leisure Lawns colors will only need to be cleaned a few times a year, colors like white, gray or ivory and other of our lighter colors will need to be cleaned more often to maintain their original beauty. With our lighter colors, spray the furniture with a nonabrasive cleaner then rub the furniture with a soft bristle brush and rinse off with warm, clean

water. If needed, you can use a high pressure washer. Holding the pressure washer top close to the furniture can cause the material to tear away so be sure to hold the top more than 12" away from the furniture.

Do not place items on the furniture that will leave a stain. Do not place hot items directly on the furniture. If properly cared for, you will be able to enjoy your poly furniture for many years!

WARRANTY

Colonial Road Woodworks, LLC (hereinafter "CRWW"), warrants to the original purchaser, that for the period of twenty (20) years of residential use or five (5) years of commercial use from the date of original purchase, that its high-density polyethylene (HDPE) outdoor furniture shall be free of manufacturer defects in workmanship and materials unless otherwise noted in warranty. CRWW will replace or repair the product without charge for materials and labor, providing that our inspection indicates that a manufacturer defect exists. Should CRWW choose to replace the product, and the product is no longer being made by CRWW, a substitution of similar performance and equal or greater value will be made. CRWW HDPE products are made with UV inhibitors to minimize fading, however upon prolonged exposure to the sun all colors will fade to some degree. CRWW stainless steel fasteners are warranted to not fail structurally for the applicable warranty period. Hardware such as gliders,

swivels and brackets are only warranted for two (2) years. If not maintained, stainless steel may corrode in certain extreme conditions (coastal areas). Damage caused by unauthorized service or repair, alteration of the product, normal wear and tear on materials, abuse or misuse, or abnormal use of the product shall void this warranty.

This Limited Warranty is in lieu of all other warranties either expressed or implied.

Contact us at leisurelawnsollection.com or email to crww@pcfreesmail.com. To place a claim, explain the nature of the original defect and include your name, address and telephone number. In event of non-warranty repair, you will receive an estimate prior to any repair work being done.

Fanback Chairs packaged on pallets and prepared for shipping. Each skid contains 14 fanback chairs.
